

Resourceful Upcyclers Sprint 2 Plan

Resourceful Upcyclers Team

Sprint 2 Start Date: 4/22/2018

Sprint 2 Completion Date: 5/6/2018

Version 2.0 : 4/22/2018

Goal

Allow customers to browse through multiple separate businesses (donate, and view offers from them). Allow owners to setup a new business, host their inventory, and accept donations. Allow customers to see notifications on the site when their donations' statuses have been changed. Revamp the landing page and initial UI elements a user sees when loading up the homepage.

Task listing by User story

1. As an owner, I want to see a notification for updates to my items, donations, and offers so that I can keep up with how my inventory is changing. (11 points)
 - a. Alert when customer wants to buy an item. Let customer know the business has been notified, provide additional contact info. (8 points)
 - b. Alert when a business receives a donation request. (2 points)
 - c. Alert when offer is edited. (1 point)
2. As an owner, I want to be able to import and export CSV files of my inventory to make moving my inventory easy. (15 points)
 - a. Add ability to upload/import a csv file. 2 Options: add all as new, or replace existing inventory with imported csv. (4 Points).
 - b. Iterate through the csv file and store data in the appropriate user's inventory. (8 points)
 - c. Add functionality to export inventory data for user into a csv-type format, and download said csv file. (3 Points)
3. As a user, I want aesthetically pleasing form pages so that I don't get bored looking at ugly text fill-outs. (12 points)
 - a. Fix awkward spacing between fields on the forms. (5 Points)
 - b. Fix field form box sizes and input style. (3 Points)
 - c. Make each form distinct to avoid confusion on what form the person is filling out. (4 Points)
