Resourceful Upcyclers Sprint 4 Report

Resourceful Upcyclers Team
6/4/2018

Actions to Stop Doing

1. N/A

Actions to Start Doing

1. Remember to use the trello board regularly
2. Update Burnup chart regularly

Actions to Keep Doing

1. We should keep meeting three times a week (MTuTh) for our Scrum meetings.
2. We should keep meeting with Todd on Tuesdays to keep on task and keep him up to date with the project.
3. Updating members on progress

Task listing by User story
1. As a customer, I want to see all features previously promised to be completed so that I know the developers care (21 points)
    a. Host website on AWS (5 points) (Ryan)
    b. Alerts for requests (3 points) (Ryan)
    c. Business Image upload works when creating a business page (3 Points) (Riley)
    d. Business page popup dialogs (4 points) (Ryan)
    e. Unread message icon (2 points) (Ryan)
    f. Finish request functionality (4 points) (Andrew)
2. As a customer, I want the site to be bug-free and functional so that I don't have to struggle to use it. (11 Points)
    a. Create superuser for Django admin interface on prod (3 points) (Ryan)
    b. Categories should show only one business's Category section (2 points) (Sean)
    c. Selecting a parent category should show the name of the category, not Category object (3 Points) (Sean)
    d. Putting item in a category should add it to it's parent's category too (1 Point) (Sean)
    e. Test, identify, and fix bugs throughout the site using github's issue tracker (2 points) (Andrew)
3. As a user, I want all UI elements from Sprint 1-3 to cohesively work together so that I can easily flow between the site functionality. (9 points)
    a. Adjust the layout and UI of pre-existing pages to more accurately match that of the current splash and profile pages. (4 points) (Andrew)
    b. Uniform navigation to go back to Resourceful Upcyclers homepage. (2 points) (Riley)
    c. Uniform navigation to go back to a Business's homepage. (2 points) (Riley)

     d.   Owner clicking donate should take them to view all donations instead of creating new donation. (1 point) (Riley)

Work Completed

1. As a customer, I want to see all features previously promised to be completed so that I know the developers care (18 points)
   a. Host website on AWS (5 points) (Ryan)
   b. Alerts for requests (3 points) (Ryan)
   c. Business page popup dialogs (4 points) (Ryan)
   d. Unread message icon (2 points) (Ryan)
   e. Finish request functionality (4 points) (Andrew)
2. As a customer, I want the site to be bug-free and functional so that I don't have to struggle to use it. (2 Points)
   a. Test, identify, and fix bugs throughout the site using github's issue tracker (2 points) (Andrew)
3. As a user, I want all UI elements from Sprint 1-3 to cohesively work together so that I can easily flow between the site functionality. (5 points)
   a. Uniform navigation to go back to Resourceful Upcyclers homepage. (2 points) (Riley)
   b. Uniform navigation to go back to a Business's homepage. (2 points) (Riley)
   c. Owner clicking donate should take them to view all donations instead of creating new donation. (1 point) (Riley)

Work Not Completed

1. As a customer, I want to see all features previously promised to be completed so that I know the developers care (3 points)
   a. Business Image upload works when creating a business page (3 Points) (Riley)
